[17:40]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>) : \*caused by maple syrup deficiency\*

[17:40]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>) : I have a parasite in Peru

[17:45]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>) : (that's right, little plaguebearers. go sneeze on people.)

[17:46] \*\*\* Tasha the Even More Merciless has joined the chat.

[17:47]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): And then mutate!

[17:47]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): I am concentrating on infectivity, and not trying to kill anyone yet.

[17:47]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): mutate!

[17:47]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): We'll kill 'em all once it's past the CDC. :-D

[17:47]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): 140 infected and no one yet the wiser.

[17:47]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): breeeed, little parasite

[17:48]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): One of those guys is getting on a plane eventually.

[17:48]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): \*bides time\*

[17:49]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): see, that's a problem with starting in Peru

[17:49]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): no transit

[17:49]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): I'm in China.

[17:49]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): It's like virus paradise.

[17:49]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): I just have to let it sit there like a boil until somebody hikes to Brazil

[17:49]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): Oh, first death!

[17:49]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): woo!

[17:49] TheNotABoy: \*infects Western Europe with Vermis Mysteriis\*

[17:50]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): Nice, made it to India.

[17:50]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): 157 infected...

[17:50]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): see, you got all the luck.

[17:50]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): Oh, densely populated Asian continent, you do right by me.

[17:50]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Easy!

[17:50]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): At least in South America I have dirty water to work with

[17:50] TheNotABoy: I only have 21 infected, and no dead.

[17:50]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): Oh, into the middle east too.

[17:50]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): 187 infected!

[17:50]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): Keep

flying, folks.

[17:51]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): We are now a waterborne parasite.

[17:51]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): bwahahahahahahaha

[17:51]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): Wow, Greenland preemptively shut down its shipyards.

[17:51]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): Bastards.

[17:52]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Damn you, Greenland.

[17:52]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): This isn't even a cold-weather bacterium!

[17:52] TheNotABoy: Flourish, my insect carriers!

[17:53]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): (ohhh. airborne.)

[17:53]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): (that's right.)

[17:53] TheNotABoy: Once my vermis mysteris is done, then I'll put on my Dr. Ain hat.

[17:53]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): \*snrch\*

[17:53]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): Aw, they're making a vaccine now.

[17:53]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): Suckers.

[17:53]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Airborne is good.

[17:53]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): I have drug resistance.

[17:53]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): See, they're on to you

[17:54]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): they are. :-(

[17:54]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): I need to fly lower here.

[17:54]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): The world is blissfully unaware of their Peruvian peril.

[17:54] TheNotABoy: I've got drug resistance 3, but my symptoms are very minor right now.

[17:54]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): They're closing airports in Argentina.

[17:54]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): (don't cry for me, Argentina)

[17:54] TheNotABoy: I figure, infect people, then bring out the serious symptoms.

[17:54]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): The world has

no idea I'm here

[17:54]  **Ometochtli** (<https://0metotchtli.livejournal.com/>): There, I got rid of the sores.

[17:54]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Lurking

[17:54]  **Ometochtli** (<https://Ometochtli.livejournal.com/>): That was probably overreaching.

[17:55]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): being passed through their food and water

[17:55]  Ometochtli (<https://Ometochtli.livejournal.com/>): ...hee, Peru just closed its borders.

[17:55]  **Ometotchtli** (<https://Ometotchtli.livejournal.com/>): I'm like "too late for you, guys."

[17:55]  Ometochtli (<https://Ometochtli.livejournal.com/>): "The Platypus Peruvian Peril is amongst you."

[17:55] Gail The Merciless: \*has started a North African parasite\*

[17:56] TheNotABoy: Oh no! Western Europe has widespread flooding.

[17:56]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): My stealth is unmatched!

[17:56] TheNotABoy: \*should have purchased moisture resistance\*

[17:56]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): I'm buying virulence.

[17:56]  **cvillette** (<https://cvillette.livejournal.com/>): Then resistance.

[17:56]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Then we sit back and wait.

[17:56] Gail The Merciless: \*has infected 13 people\*

[17:57]  cvillette (<https://cvillette.livejournal.com>)

evolution point for insect transmission....

[17:57]  cyllette (<https://cyllette.livejournal.com/>) : one more.

[17:57] TheNotABoy: I have 169 people, no deaths.

[17:57]  Ometotchtli (<https://Ometotchtli.livejournal.com/>): Oh, Western Europe's starting to freak.

[17:57]  **Ometochtli** (<https://Ometochtli.livejournal.com/>): \*has offed 800k Europeans\*

[17:57]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Wabbit is SARS

[17:57]  [cyllette](https://cyllette.livejournal.com/) (<https://cyllette.livejournal.com/>) : I'm syphilis.

[17:57]  cvillette (<https://cvillette.livejournal.com/>): ...you know, that's kind of eerily appropriate.

[17:58] 🧑 0metotchtli (<https://0metotchtli.livejournal.com/>) :

Sarrrrrrrrrs

[17:58] Ometotchtli (<https://Ometotchtli.livejournal.com/>) · (avast!)

[17:58] Gail The Merciless: still killing no one

[17:58]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Come on, give me the evolution point, baby. You know you wanna.

[17:58] TheNotABoy: I'm flying under the radar.

[17:59]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): Russia's dumb.

[17:59] TheNotABoy: Which is the nice way of saying "I'm slow."

[17:59]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): "Oh, the Wabbit's only killed a million people, maybe we should shut down transit now."

[17:59]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): YOU FOOLS!!!!

[17:59]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Hah!

[17:59] TheNotABoy: Airborn, baby!

[17:59]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): COWER BEFORE THE FIST OF DOOOOM!!!

[17:59]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): There's my insect transmission.

[17:59] TheNotABoy: Damn you, Richards!

[17:59]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Mosquitoes are coming for you.

[17:59]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Vaccine, Erik?

[17:59]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): (we are now also waterborne)

[18:00] TheNotABoy: No, I was just joining Hafs's Doom speech.

[18:00] TheNotABoy: I'm only in 4 digit infections with no deaths, they won't bother with a vaccine.

[18:00]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): I'm still stranded in a Latin American backwater with no transportation.

[18:01]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Come on, buggies. Leap the border to Brazil.

[18:01] Tasha the Even More Merciless: I'm in Japan

[18:01] Tasha the Even More Merciless: and up to 72K, but no deaths.

[18:01]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): They have 29 days until they get their vaccine.

[18:01]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): I don't think anyone will be left to use it by then.

[18:01] TheNotABoy: I'm only in Western Europe for some reason.

[18:01] Tasha the Even More Merciless: (dead bodies not being burned)

[18:01] Gail The Merciless: 61 people infected in north Africa.

[18:01] Gail The Merciless: god, my parasite is slow

[18:02]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): \*speeds up the clock\*

[18:02] TheNotABoy: Ooh, East Europe too.

[18:02]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): The parasites

are slow

[18:02] TheNotABoy: Yeah, I'm on high speed.

[18:02]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): I wish the map changed color when you infected a region

[18:02]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): it does.

[18:02]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): Just when people start dropping hard.

[18:02]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): I'm not killing anybody yet!

[18:02] TheNotABoy: Ooh, I've got dementia.

[18:02]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): I'm still giving them chances!

[18:03] Tasha the Even More Merciless: Hah, I've hit Canada

[18:03]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): Noes!

[18:03]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): There we go!

[18:03] Tasha the Even More Merciless: (Snapperhead causes dementia)

[18:03]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): I just went geometric.

[18:03]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Twenty thousand

[18:03]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Thirty thousand

[18:03]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): come on baby give me BRAZIL

[18:04]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): YES!

[18:04]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): I think I need some cysts here.

[18:04]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): South America is MINE

[18:04] TheNotABoy: Whoa, I just killed 1550 people while I wasn't looking.

[18:04]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Argentina. Brazil. Mexico.

[18:04] Tasha the Even More Merciless: I'm up to 139K a day

[18:04] Gail The Merciless: I am airborne

[18:04]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Aww, Peru is on to me.

[18:05]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): They shut down public transit.

[18:05] Gail The Merciless: (but still not killing people)

[18:05]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Too late now baby toooooo laaattteee nowooooowowowowowo.

[18:05]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): Goodbye, China.

- [18:05]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): USA!
- [18:05]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): I hope you enjoyed your Olympics before I killed you all.
- [18:05]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Canada!
- [18:05]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Russia!
- [18:05]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Indonesia closed its borders
- [18:05]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): Indonesia's careful that way.
- [18:06]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): aww, they vaccinated against me. :-(
- [18:06]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): \*gives them fatigue\*

- [18:07]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Oh, Mexico is actually hauling out a decent disaster response.
- [18:07] TheNotABoy: Okay, now the gloves are off.
- [18:07] Tasha the Even More Merciless: I seem to have killed 10 million
- [18:08]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): North Africa just shut down the hospitals.

- [18:09] TheNotABoy: Guess the insanity did it.
- [18:09]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): I'm sure the 65 healthy people left in China and the 50 in Russia can have a good time together shoveling bodies.
- [18:10] Gail The Merciless: \*works slowly and stealthily with only fatigue symptoms\*
- [18:11]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Russia closed its borders, the rats

[18:11] Tasha the Even More Merciless: noooooo! mah bacteria, they be trying to kill it

[18:12]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Canada has shut down the hospitals.

[18:12]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): WIN!

[18:12] TheNotABoy: My disease seems limited to Eurasia.

[18:12] TheNotABoy: But it's kicking them in the nads.

[18:13]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): Mine is all stuck on Asia/Europe.

[18:13]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): Which is going to be gone when I'm done.

[18:13]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): They've got a vaccine.

[18:13]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): But that's okay

[18:13] Tasha the Even More Merciless: mine do too

[18:13] Tasha the Even More Merciless: A little too late for Japan.

[18:14] Tasha the Even More Merciless: and the 7500 people still healthy there.

[18:14]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Now we're just waiting on the pulmonary edema

[18:14] TheNotABoy: Durr, vaccine deployed.

[18:15] Gail The Merciless: soon we go waterborne

[18:15] TheNotABoy: It was a great success. :-(

[18:15]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): aw.

[18:15]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): The only clean regions are parts of Asia and the Pacific nations, excepting China and Japan

[18:15] Gail The Merciless: and waterborne!

[18:15] Tasha the Even More Merciless: Oh, poor Canada, with your 22K surviving

[18:15]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): I think I need to go parasite next time.

[18:15]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): It is sad to see Maplesyrupitis stopped from worldwide destruction.

[18:16] Tasha the Even More Merciless: Bacteria worked well, but I got over excited too early

[18:16]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Pulmonary edema is ours.

[18:16] Gail The Merciless: first resistance. then virulence.

[18:16] Gail The Merciless: slow and sneaky, that's the plan

[18:16]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): Yup, I think it's time for take two.

[18:16]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Yep. That worked well for me

[18:17]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>):

Poutineitis will now debut.

[18:17] Gail The Merciless: one of these 4000 infected have to travel somewhere other than north Africa soon.

[18:17] TheNotABoy: Europe and Russia have maybe 100 000 healthy people, but until I evolve enough to get more resistance, that's that.

[18:17]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): \*Buys dementia\*

[18:18]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Hah! They're burning bodies in the streets of Belgrade now.

[18:18]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Now we kill.

[18:18]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): hee

[18:18]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Beautiful, beautiful pulmonary edema

[18:18] Gail The Merciless: 7000 infected, still no deaths

[18:19] Gail The Merciless: \*plots the infection of many more\*

[18:19] TheNotABoy: I did take out almost 1 billion, but now they've cured me....

[18:19] TheNotABoy: \*gives them sores just because\*

[18:20]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): I am terrifically vengeful when they cure me.

[18:20]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): \*is now lying low in North Africa\*

[18:20] Gail The Merciless: Now we have the chance to infect water facilities!

[18:20] Gail The Merciless: \*rubs hands with glee\*

[18:20] Tasha the Even More Merciless: Curse them, they have wiped me out!

[18:21] Tasha the Even More Merciless: \*Starts over again\*

[18:21]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): You have no therapy, monkeys

[18:21]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): You have no therapy against me.

[18:21]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): hee

[18:21] Gail The Merciless: \*averaging 300 infections a day\*

[18:21]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): \*waits for tier three\*

[18:21] TheNotABoy: This will be close -- will I kill off all my infecteds before I can get resistance 4?

[18:21] Gail The Merciless: 12000 people infected, and still stuck in North Africa.

[18:22] Gail The Merciless: should've gone with somewhere with better transport links

[18:23]  [0metotchtli](https://0metotchtli.livejournal.com/) (<https://0metotchtli.livejournal.com/>): hee.

[18:24] TheNotABoy: \*buys resistance 4\*

[18:24] TheNotABoy: Let's see if this helps.

[18:24]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Yeah, If I hadn't been stuck in Peru, I would have wiped out everyone

[18:24]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): Poutineitis may have that issue.

[18:24]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): North Africa is not hugely touristy.

[18:25] Gail The Merciless: next time, we start with Europe.

[18:25] TheNotABoy: Hmm, looks like resistance is useless once they have a vaccine.

[18:25] TheNotABoy: \*makes the last 26 folks sweaty\*

[18:26]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Oh, I got ataxia

[18:26] Tasha the Even More Merciless: (I must have hit a daycare, my numbers just doubled)

[18:26] TheNotABoy: Let's try the realistic one now...

[18:26]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Just a few more points to hemorrhagic fever.

[18:26]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): Okay, some cysts are doing the trick...

[18:27] Tasha the Even More Merciless: oh, for the love of god, get on a plane!

[18:27] Gail The Merciless: 98K infected, and I have South Africa!

[18:27] TheNotABoy: New Zealand?

[18:27] TheNotABoy: Ufkc!

[18:27] TheNotABoy: Why not put me in Antarctica.

[18:27]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): Hey, it's better than Peru.

[18:27]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): It has an AIRPORT

[18:28]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): LOL

[18:28]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>): \*waits for the hemorrhaging\*

[18:28] Tasha the Even More Merciless: zoonotic! take that!

[18:28]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): Will one of you nice North Africans please go to the US for specialist cyst treatment?

[18:29]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): And spurt on a nurse or something?

[18:29] Gail The Merciless: okay, I have gone geometric :-)

[18:29] Tasha the Even More Merciless: bah, none of my 700000 people will get on a plane, why would yours

[18:29] Gail The Merciless: the infections are in the millions now.

[18:30]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): yeah, I have 10k infected and everyone's just chillin'.

[18:30]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>): Hah! South Africa!

[18:30]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>) : That's what you get for decades of apartheid!

[18:30]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>) : They're going to die off before I get my bleeding orifices.

[18:30] Gail The Merciless: bastards.

[18:31] Gail The Merciless: North Africa just copped

[18:31] Gail The Merciless: and Canada shut its shipyards.

[18:31] Gail The Merciless: ah, they're all closing down

[18:32] Gail The Merciless: And I haven't even killed anyone yet!

[18:32] Tasha the Even More Merciless: Only Argentina and Madagascar are holding out on me now

[18:32]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>) : Aww, there's only 134,000 infected left.

[18:33]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>) : Nice, Middle East and Mexico.

[18:33]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>) : I did manage to wipe out two thirds of the world's population, though

[18:33] Tasha the Even More Merciless: okay, you can close your borders all you want, I'm global.

[18:33] Tasha the Even More Merciless: now, to start killing people.

[18:34] Gail The Merciless: hah!

[18:34] Gail The Merciless: got you Mexico, Greenland, and Canada!

[18:34]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>) : Allright, hemorrhagic fever. Here we go.

[18:34]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>) : hah! Japan.

[18:34] TheNotABoy: Woo Brazil!

[18:35]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>) : Dammit, China's closed its airports.

[18:35]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>) : I'm being had. :/

[18:35]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>) : I'm just about to lose.

[18:35]  [cvillette](https://cvillette.livejournal.com/) (<https://cvillette.livejournal.com/>) : 2933 still infected

[18:35] Gail The Merciless: still haven't killed anyone

[18:35]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>) : \*goes waterborne\*

[18:35] Gail The Merciless: got you, Indonesia!

[18:36] TheNotABoy: \*infects over half of NZ\*

[18:36]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>) : Oh, I got India and Europe.

[18:37]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>) : Hah!

[18:37]  [Ometotchtli](https://Ometotchtli.livejournal.com/) (<https://Ometotchtli.livejournal.com/>) : China, it did not save you!

[18:37] Gail The Merciless: I am not at all lethal

[18:37]  [Ometotchtli](https://Ometotchtli.livejournal.com/) : Yeah, me neither.

[18:37]  [Ometotchtli](https://Ometotchtli.livejournal.com/) : Yet.

[18:37] Gail The Merciless: bah.

[18:37] Gail The Merciless: they are developing a vaccine

[18:37]  [Ometotchtli](https://Ometotchtli.livejournal.com/) : And the US.

[18:37] Gail The Merciless: I need to get lethal soon

[18:37]  [Ometotchtli](https://Ometotchtli.livejournal.com/) : I think Poutineitis may take the day here.

[18:39] Gail The Merciless: I need to give them vomiting soon

[18:40] Gail The Merciless: My first dead victim!

[18:40] Tasha the Even More Merciless: and pulmonary edema is a go.

[18:40] Gail The Merciless: and now we have 41 million dead!

[18:40] Gail The Merciless: \*cackles\*

[18:40] Tasha the Even More Merciless: 1 country still with hospitals

[18:41] Gail The Merciless: 12 hospitals left

[18:41] Gail The Merciless: no, 10

[18:41] TheNotABoy: Hee! 526 days for vaccine!

[18:41] Gail The Merciless: die, world, die!

[18:41] Tasha the Even More Merciless: only 46 million left uninfected in the world

[18:42] Tasha the Even More Merciless: And I think that New Zealand is about to be forsaken

[18:42]  [Ometotchtli](https://Ometotchtli.livejournal.com/) : aw fuck, they're on the vaccine.

[18:43]  [cvillette](https://cvillette.livejournal.com/) : There. Got two thirds of the population that time. Next one, I mean to win.

I am using the evil that is parasite

use it with only a fever, max out resistances and spread methods, and if needed vary the symptoms over time with low lethality. Wait till it hits every spot on the map with at least 2-3k and every spread method. Then, break out the pulmonary edema. DEATH TO THE WORLD!

Wow, that's an addictive game. 2.82 billion dead the first time through, and the game in progress right now has not too many dead but only 6 borders closed and 5.5 billion+ infected... here's hoping.

I played that game when it was first released! I've only ever played the relaxed mode, but it was still fun. Except for Madagascar, which seems nearly impossible to infect, unless you happen to start from there. Oddly enough, the only time I ever feel bad when playing that game is when all the countries have closed their shipyards, and the ships still at sea just bounce around between nations.

On the somewhat related note of world domination, have you had the good fortune to see [Dr. Horrible's Sing-Along Blog](#)? On the off chance you haven't seen it, I recommend it.

Did you run into the Madagascar problem at all?

 [cvillette](#)

[September 8 2008, 16:29:39 UTC](#) [COLLAPSE](#)

Getting on or getting off it? Yes. Wabbit managed to infect them once from outside, but otherwise the game is mighty broken.

When you start on Madagascar, it's pretty easy to win.
